

## Year 7 Camp Medical Information Form

Please go to the following link: <https://scea.seamlessdocs.com/f/zqt6qd> to complete the Medical Form, and follow the prompts to sign and submit it for the Year 7 camp.

Please note that on the side of the form when it loads on your computer, the site will be listed as a SCEA (Swan Christian Education Association), however the automatic email address will send your completed form directly to Student Services at Swan Christian College.

If you have trouble submitting the form online, please call the College on 9374 8300 to have a form emailed to you for return.

To assist with our planning for the camp, this information must be returned to the College by Friday 4 November.

Kind Regards
