

College Lockers

Swan Christian College is pleased to be able to offer a locker hire system in the College to accommodate devices for students in the BYOD (Bring Your Own Device) program or normal storage lockers that can also accommodate school bags and books. The lockers are designed for storage of items during the day only and the College accepts no responsibility for items left overnight or during holiday breaks.

BYOD Device Storage Lockers

These lockers, situated in the gym, are specifically designed for the storage of devices only. A limited number of powered lockers are also available for hire which enable stored devices to be charged during breaks.

Storage Lockers

Lockers are situated at the rear of M Block and are of a size that can easily accommodate books and school sports bags.

The locker application forms will be available from the College office from Wednesday 25 January 2017. Locker hire is for the whole school year or part thereof, there will be no refund of the hire fee once the application has been accepted and paid for. As the lockers are limited in number, applications will be processed on a first come basis. The annual hire fee for lockers will be \$66.00 for storage lockers, \$57.50 for powered device lockers and \$25 for normal device lockers. Students with a noted medical condition will be given priority. Please attach a medical certificate with the application.

All lockers will need to be reapplied for on an annual basis at the beginning of Term 1 each year.

A refundable deposit of \$25.00 is also required with the initial hire fee. The deposit will only be refunded provided the locker is in good order at the end of the year and all keys/combination locks returned. If the locker is not in good order or keys/combination locks not returned or any damage has occurred to the locker the deposit will be forfeited and additional charges may apply.
