26 MAY REGISTER NOW!

WANT A CAREER IN TRADES BUT NOT SURE WHERE TO START?

If you're in Year 10, this is your chance to get hands-on with real tools at Swan Trade Training Centre's Try a Trade Day on Tuesday 26 May.

The day is designed to empower young minds in Year 10 by providing a unique opportunity in Year 11 and 12 to try different trades and discover their true passions. Whether they are intrigued by the thought of Building and Construction/Carpentry, Engineering: Heavy Metal, or the exciting world of Electrotechnology, we have something just for your child to help them kick start their trade career.

The day is open to all students who are currently completing Year 10 at Swan Christian College or any other school in Western Australia.

Try a Trade seeks to:

- Motivate students through a fun, hands-on experience in Building and Construction, Electrotechnology and Engineering: Heavy Metal Fabrication.
- Share current and honest information about future career choices.
- Show skills, education and training for the future.
- Create opportunities to meet and talk with trade professionals, apprentices, VET teachers/trainers/lecturers and local industry people.

REGISTER HERE: scea.me/swantat26

I'VE REGISTERED, WHAT HAPPENS NOW?

Registrations close on Thursday 21 May 4:00pm, and students selected to attend the Try a Trade Day will receive an invitation by email on Friday 22 May confirming attendance and any further information regarding the day.

Please note that this expression of interest does not secure placement for the event. You will receive an email of confirmation after the closing date.

If you have any questions please don't hesitate to contact our Acting Head of Swan Trade Training Centre, Mrs Teneale Leaver on **9374 8300**. We can't wait to see your child at Try a Trade!
